Get set for a Fair Lawn adventure through the world of reading! For every **100 minutes** spent reading, you will move your “car” to a different area of the Town, encountering different kinds of local sites and obtaining a new bead for your “back to school” keychain. Ready to return to the library? You must complete **1,000 minutes**. Are you up for the challenge? Let’s go!

**How the Club Works:**

-  The children’s summer reading club is open to all Fair Lawn residents ages 0-12. You must have a current library card to register.
-  Register in the Children’s Room or through the link for ReadSquared found at [www.fairlawnlibrary.org/children](http://www.fairlawnlibrary.org/children).
-  Tracking can be done electronically or with a physical reading log, which can be printed from the website or picked up at the library.
-  Once registered: start reading! Pre-readers can be read to.
-  Every time you read for 20 minutes color in a step in your Map of Fair Lawn or track through ReadSquared.
-  After your first 100 minutes pick up a starter keychain. For every 100 minutes read you will receive a new bead and move your car to another area of Fair Lawn.
-  Read all 1,000 minutes and receive a certificate and a book to keep forever!
-  Complete another 1,000 minutes and be honored at our “Reader’s Roundtable.”
