

Registration Dates:

Monday, June 17 - Friday, July 26

Program Dates:

Monday, July 1 - Friday, August 9

Last day to collect prizes:

Sunday, September 8

Get set for a Children's Room adventure through the world of reading! For every **100 minutes** spent reading, you will move your "hot air balloon" to a different area of the Town, encountering different thrills and chills, and obtaining a new bead for your "back to school" keychain. Ready to return to the library? You must complete **1,000 minutes**. Are you up for the challenge? Let's go!

How the Club Works:

The children's summer reading club is open to all Fair Lawn residents ages 0-12. You must have a current library card to register.

Register in the Children's Room or through the link for ReadSquared found at www.fairlawnlibrary.org/children.

Tracking can be done electronically or with a physical reading log, which can be picked up at the library.

Once registered: start reading! Pre-readers can be read to.

Every time you read for 20 minutes color in a step in your Choose your *Own Adventure* reading log or track through ReadSquared.

After your first 100 minutes pick up a starter keychain. For every 100 minutes read you will receive a new bead and move your hot air balloon to another area of the Children's Room.

Read all 1,000 minutes and receive a certificate and a book to keep forever!

Complete another 1,000 minutes and be honored at our "Fair Lawn Society of Adventures."
